Indulge in cacao bean-sourced beauty goods

A **Valentine's Day** bonbon isn't the only way to satisfy a chocolate craving. With all the intoxicating aroma of a chocolate treat, cacao-enhanced beauty products supply skin with antioxidants that can help slow the aging process, says Ginger McLean, spa director of The Hotel Hershey in Hershey, Pa. Antioxidants also abound in cocoa butter, an emollient produced from cacao beans that's perfect for soothing winter skin.
